About Auslan Christian Signs Used in this Book:

Auslan Christian signs in this book are used by the Australian Deaf community in Christian churches, especially in Protestant and Pentecostal denominations (Anglican, Lutheran, Baptist, Assembly of God, Apostolic, etc).

Please be aware that most churches have their own sign variations, especially in different denominations, and Deaf Christians have their own preferences when using certain signs.

Not all sign variations are included in this book.

Auslan Video:

There is a downloadable Auslan video which comes with the purchase of this book. The video shows how to sign in Auslan all illustrations in this book, including the Names of God, and the Fruit of the Spirit.
